LIVE Like LOCAL

in Ashtabula County

Harbor Perk

We are an independent coffeehouse and roaster located in the historic harbor district of Ashtabula, OH. All of our coffees are blends and are created & roasted in house. Fine crafted espresso drinks, loose leaf teas, locally baked goods, frozen coffee drinks and smoothies.

harborperk.com

Ice Wine

Ashtabula County's award winning vineyards produce fine ice wines for your enjoyment.

Drink Like a LOCAL

Red Eagle Distillery

A multifarious barrel program and unconventional mash bills make us quite unique in the micro distilling community.

Our focus thus far has been on Bourbon. By law Bourbon must consist of 51% corn. Most corn is genetically modified, Red Eagle uses only NON GMO corn.

redeaglespirits.com

Insider Tip 1:

1 ton of grapes =
165 gallons = 825 bottles
= 69 cases of wine.
-70% of all wine grapes in Ohio are produced in Ashtabula County.

Ice Wine Producers

Debonne Vineyards
Ferrante Winery • Grand River Cellars
St. Joseph Vineyards
Laurello Vineyards
South River Vineyards

Scribblers

Micro Roaster of Specialty Coffees. Located in Geneva, OH. We stock only premium Arabica beans. We roast in small batches to achieve fresh-roasted coffee at its height of flavor. Our intention is to showcase the varietal character of our single-origin coffees and to maintain a consistent flavor profile for our blends.

Left to Right:
 Chef John Senger of Bacula Bridge Grille,
 Nate Fagnelli of Crosswinds Grille
 and Nate Rockwell of Briquettes Smokehouse

Eat Like a LOCAL

Locavore Trail

Follow your taste buds as you travel the highways, byways and back roads of Ashtabula County on our Locavore Trail. This culinary experience will highlight the local flavors of our region as our farmers, vintners and chefs showcase wine, food and spirits produced right here in Ashtabula County. Look for the Locavore Trail Logo & enjoy the journey!

Cold Springs Orchard

Apples, Cider and Homemade pies from the on-premise bakery. Shop the farmers market for other specialty products and gift baskets. 440-466-0474

Bissell Maple Syrup

We collect slightly sugary sap from trees and remove water to make maple syrup. That simple. There are no pesticides or fertilizers used. It is a North American product, made right here in Ashtabula County.

bissellmaplefarm.com

Insider Tip 2:

There are 70 Dairy Farms in the county milking 6,600 cows & producing more than 14.5 million gallons of milk annually. 1,200 Farmers farming over 170,000 acres.

Terra Local

Open-air farmers market in Geneva, OH featuring fresh local seasonal produce, local grass-fed beef, free-range chicken, pastured pork & lamb, grass-fed milk, butter, yogurt and cheese, maple products, honey, popcorn, jams, jellies and more.

terralocal.net

Conneaut Harbor

A birders paradise. Sprawling sand flats and Lake Erie inlets are a perfect environment for birders to spot a few of their "bucket list" species. With dozens of species visible in a single visit, this is a must stop.

Scenic Ashtabula River

"Ashtabula" is derived from a Native American word meaning "River of Many Fish." Ashtabula County is located in the center of the world famous "Steelhead Alley", renowned for record breaking limits of these wonderful fish that spawn each spring and fall.

Smolen-Gulf Covered Bridge

Smolen-Gulf is longest Covered Bridge in the U.S. and contains 613,000 board ft. of lumber... enough to cover an entire football field 13" thick.

Scenic Conneaut River

Masses of Virginia bluebells bloom on the Scenic Conneaut River floodplain in early May.

Kayaking the Scenic Grand River

Learn Like a LOCAL

Insider Tip 4:

Ashtabula County has 3 Scenic Rivers, (Ashtabula, Conneaut & Grand) more than any other county in Ohio.

Insider Tip 3:

The first land for Indian Trails Park was acquired in 1908. More than 400 acres are in the park, today.

Indian Trails Park

A waterfall in Indian Trails Park, near the site of the Ashtabula Bridge Disaster, is favorite hiking destination for locals.

The Indian Trails park system has many miles of paved and primitive trails winding along the Scenic Ashtabula River. Created by the Civilian Conservation Corps, during the New Deal era, this park system holds some of the most biologically diverse areas in all of Northern Ohio.

Adventure Zone

Go-Karts have been a mainstay at Geneva on the Lake since the mid 1970's. Today you can zip around the 900' long track on a "Screaming Eagle" Kart at the Adventure Zone.

Play Like a LOCAL

Insider Tip 5:

Lake Erie: 241 mi. long
 • 57 mi. at widest point,
 • 28 mi. at narrowest point,
 • 210 ft. deep
 • Provides more fish for human consumption than the other four Great Lakes combined.

Fishing Lake Erie

With 9 marinas along Lake Erie, Ashtabula County is your one stop shop for Walleye and Perch fishing in the Central Basin. Trailer your own boat or jump on one of our great charters.

From
WWII Reenactments
to Grape Stomping
Fun...

*Ashtabula County is your home
for year-round events!*

Festivals & Museums

Best known for our two major fall festivals the **Grape JAMBoree** and the **Covered Bridge Festival**, Ashtabula County is home to more than two dozen major events each year.

The beaches of Normandy come alive in Conneaut with the annual D-Day Event, and the Ashtabula Harbor has become a festival destination with both the Wine & Walleye and Beachglass Festivals. The City of Geneva brings the fun back to winter with their annual Winterfest, and the Pymatuning Lake Festival is a must stop for any summertime traveler. What about a plunge with the polar bears or a balloon festival?

TABS Art Festival

**We celebrate food
& beverages too!**

Ice Wine, Strawberries, Ribs and Grapes are a few of the offerings throughout the year. Mix in cultural and heritage festivals, reenactments and a motorcycle rally and you have the makings of your next vacation. Visit one of our many festivals this year in Ashtabula County.

GENEVA

Geneva Ohio is located just 45 miles east of downtown Cleveland at the intersection of Rt. 534 and Rt. 20 in the heart of *Ohio's Wine Country*. Geneva has its old time, traditional downtown business district largely intact and still in use. A large number of the buildings were built approximately between 1880 and 1910. There are a wide variety of interesting shops and restaurants waiting for you to discover. Geneva is an unique town with a fascinating past & present. **Ransom E. Olds** was born in Geneva in 1864 and lived here until 1870. **Four different brands of automobiles were manufactured in Geneva** during 1901 to 1926.

The brands were: the Geneva, a steam-powered car, the Ewing taxicab, the Heifner, and the Young truck.

Walter L. Main, while a resident of Geneva, had an outstanding career in the circus business during 1887-1939. His **Walter Main Circus**, headquartered in Geneva, was at a

time one of the largest traveling railroad circuses in the world. **Platt R. Spencer** (1801-1864) was a resident

of Geneva township. Among his many accomplishments he developed the Spencerian system of handwriting and is known as the Father of American Penmanship.

Ashtabula County

Amid the glaciated terrain and rolling hills of the Lake Erie and Grand River Valley region, you will find the subtle beauty and grand romance of the premier wine growing districts east of the Mississippi River.

The Vine is our Heritage

Our Warm sunny days coupled with our cool evenings, provide our varietal grapes the perfect microclimate in which to thrive. With over 1,200 acres of grapes (65% of all the grapes in Ohio) grown right here in Ashtabula County, we are home to 20 wineries. While some of our grapes are still picked by hand, the vast majority of them are picked by mechanical harvesters. These harvesters allow our wineries to pick all the different varieties at the peak of ripeness and deliver the berries to the crush pad and cellar within mere minutes of harvesting.

All these things go into making
Ashtabula County

... the Napa Valley of the East!

Dear Friends,
When Kim and I chose the phrase "where old friends gather and new friends meet" as our theme, it meant more to us than just a slogan. We want your visit to be a trip back home: a place to relax around the fire or kick back outside on the patio surrounded by vineyards and friends enjoying fine wines. - Larry Laurello

Eat...Drink & Enjoy

From Americana to Ethnic, the dining opportunities in Ashtabula County are amazing! With our history steeped in the westward expansion of our great nation, Ashtabula County has held on to the recipes and meal traditions of our forefathers.

Add in 1950's style diners, local pubs and national chains and you have the perfect "foodie" destination.

Visit
Ashtabula County

With 30 miles of Lake Erie shoreline, 18 picturesque covered bridges including America's longest, spanning 613 feet towering above the Indian Tail Park System and the shortest at a mere 18 feet long. We also boast the largest grape growing region in the State of Ohio, so we have a lot to offer on your next vacation. Tour our rolling landscape along country roads and immerse yourself in our Western Reserve Architecture and Midwestern Charm. Experience street festivals in our historic downtowns, take a stroll on our 26 miles of Greenway Trail or cast your line for a record steelhead trout in one of our 3 Scenic Rivers.

Kick back and enjoy a week long vacation in one of our lakeshore cottages, State Park Lodge, finely appointed B&Bs or at one of our seventeen campgrounds. Family gatherings along Lake Erie's southern shoreline is a past time enjoyed by many. With cool lake breezes, and plenty to do for all ages, Ashtabula County is a great place to connect with family and friends. Make sure you pack your cameras for your trip to Ashtabula County... **Where Our Lake Awaits!**

The Greenway Trail

As part of the "rails to trails" program, responsible for transforming old railroad beds into recreation pathways, The Greenway Trail in Ashtabula runs south for nearly 27 miles, passing through the towns of Saybrook, Austinburg, Rock Creek, Rome and Orwell before connecting to Trumbull County and its trail system. Seven trailheads provide access to this smooth path of asphalt for a day of walking, jogging, roller blading & bicycling with plentiful parking for vehicles & trailers. At the main trailhead, St. Rt. 307 and Mill St. in Austinburg, you will find restrooms and a convenient store for beverages and snacks.

During the winter months, the Greenway Trail is utilized by cross-country skiers and snowmobilers who come in droves for that "lake effect" snow that blankets the county. Crisp air and breath taking scenery are just two of the many reasons to get out and enjoy winter. The Greenway Trail is groomed during the winter to make for a smooth ride whether you are walking, cross-country skiing or getting your snowmobile out for an adventure.

Summer, Winter, Spring or Fall...
The Greenway Trail Awaits!

North & Eastern Tour

*This is a tour of the north & east part of the County.
The tour begins in the center of Jefferson and travels east on East Jefferson Street.
Approximate round trip of this tour is 69 miles. There are 12 bridges in this tour.*

- 1. Netcher Rd. Jefferson** – 1544 Netcher Rd., 44047 • Clearance 14'6" (2.7 mi. from center of Jefferson) The bridge is constructed over Mill Creek in Jefferson Township and features a timber arch with inverted Haupt walls. The "New Victorian" design structure is 110 ft long, 22 feet wide and 14 feet 8 inches high. Construction was funded by an ODOT Timber Grant and was opened to traffic in 1999.

- 2. South Denmark Rd., Jefferson** – 2670 S. Denmark Rd., 44047 • Clearance 9'0" (2.7 mi. from Netcher Rd. Bridge) Built in 1890 this Town Lattice bridge spans Mill Creek. The 81 ft. structure was by-passed in 1975 but is easily accessible.

- 3. Caine Rd., Jefferson** – 4699 Caine Rd., 44047 • Clearance 11'0" (6.7 mi. from South Denmark Rd. Bridge) This first Pratt Truss bridge in Ohio was built in 1986 in honor of Ashtabula County's 175th anniversary. The 124 foot long bridge traverses the west branch of the Ashtabula River in Pierpont Township.

- 4. Graham Rd., Jefferson** – 4646 Graham Rd., 44047 • By-Pass (5.9 mi. from Caine Rd. Bridge) The Graham Road Bridge, which was built from remnants of a bridge washed downstream in the 1913 flood, now sits in a small park on the south side of the road. The 97 foot Town Truss was over the west branch of the Ashtabula River in Pierpont Township.

- 5. Root Rd., Conneaut** – 4680 Root Rd., 44030 • Clearance 8'4" (3.9 mi. from Graham Rd. Bridge) A 114 foot Town Lattice built in 1868, Root Rd. Bridge crosses the Ashtabula River. It was raised 18 in. during the rehabilitation in 1962-83 and new laminated girders and a center concrete pier were added.

- 6. Middle Rd., Conneaut** – 910 Middle Rd., 44030 • Clearance 13'6" (8.3 mi. from Root Rd. Bridge) This 136 ft. Howe Truss bridge was built in 1868 over Conneaut Creek, which is the longest river in eastern Ashtabula County. It was reconstructed in 1984 with the help of 3 volunteers and 4 college students.

- 7. State Rd., Kingsville** – 5899 State Rd., 44045 • Clearance 16'2" (5.1 miles from Middle Rd. Bridge) Containing 97,000 feet of southern pine and oak, the State Road Bridge was erected in 1983 across Conneaut Creek. The 152 foot Town Lattice span was the first covered bridge designed and built by County Engineer, John W. Smolen, Jr. A four foot tall window extends the length of the Town Lattice construction. The dedication of the bridge in 1985 was the forerunner of the Covered Bridge Festival.

- 8. Creek Rd., Conneaut** – 371 Creek Rd., 44030 • Clearance 11'4" (3.4 mi. from State Rd. Bridge) The construction of this 125foot Town Lattice bridge is unknown. It sits 25 feet above the Conneaut Creek and was extensively renovated in 1994.

- 9. Benetka Rd., Ashtabula** – 4500 Benetka Rd., 44004 • Clearance 11'0" (11.5 mi. from Creek Rd. Bridge) A 136 foot Town Lattice with Arch Bridge, Benetka was built about 1900, spanning the Ashtabula River. It was renovated in 1985 when a laminated arch 9 in. wide, 38 in. thick, spanning the length of the bridge, was added.

- 10. Olin Bridge, Ashtabula** – 1880 Dewey Rd., 44004 • Clearance 12'0" (2.5 mi. from Benetka Rd. Bridge) Located on Dewey Rd. in Plymouth Twp., Olin is the only bridge named for a family. Olin's have owned property next to the bridge since it was built in 1873. The 115 ft. Town Lattice structure over the Ashtabula River was renovated in 1985.

- 11. Smolen-Gulf, Ashtabula** – 7001 State Rd., 44004 • Clearance 14'6" (2.6 mi. from Olin Bridge) The longest covered bridge in the United States is of Pratt Truss construction. Engineering and structural design was done by John W. Smolen, Jr. (former County Engineer) and architectural design was done by Timothy J. Martin (current County Engineer). The bridge was dedicated on Aug. 26, 2006. It is 613 feet long and stands 93 feet above the Ashtabula River. With a clear width of 30 feet it will support full legal road traffic and has a life expectancy of 100 years.

- 12. Giddings Rd., Jefferson** – 1399 Giddings Rd., 44047 • Clearance 15'6" (8 mi. from Smolen-Gulf Bridge) Pratt Truss construction was used for this 107 foot bridge built in 1995 with funding from an ODOT Timber Grant. It crosses Mill Creek in Jefferson Township. At this point the tour returns to Jefferson via Jones Road, Route 167 and Route 46. It is approximately 3.5 miles back to Jefferson.

Ashtabula
COUNTY, OHIO
Where our lake awaits.

The Napa Valley of the East

Perched atop the remnants of glacial beaches and covered with vines planted over generations, the Lake Erie and Grand River Valley growing regions are second to none. Ashtabula County is home to a microclimate which grows 65% of all grapes in Ohio! Rolling hills lined with Vinifera and French/American Hybrids give this unique growing region the feel of Napa Valley. During the deep freeze of a Northeast Ohio winter, ice wine is created. Picked by moonlight, with a backdrop of snow and stars, the frozen berries are then pressed to release the sweet nectar-like juice. Fermented and decoratively bottled, Ashtabula County is a premier area in the production of ice wine.

Scenic Byway Tour

Dark blue water kissed with white tipped waves roll toward the shoreline before crashing into the limestone break walls along the Ashtabula County Shoreline. Ohio's newest scenic byway named the Lake Erie Coastal Ohio Byway, offers breathtaking views of those waves. This journey begins in Conneaut and runs through the Ashtabula Harbor and Geneva-on-the-Lake along our 30 miles of Lake Erie shoreline. Leaving the harbor headed west, the coal and iron ore freighters are easy to spot and follow along the lakeshore. With two lighthouses, four public beaches and "Ohio's First Summer Resort", this is a spectacular drive.

Covered Bridge Tours

South & Western Tour

This is a tour of the southern and western part of the county. The tour begins in the center of Jefferson and travels north on Rt. 46, then west on Rt. 307 to Doyle Rd. Approximate round trip of this tour is 68 miles. There are 6 bridges in this tour.

13. Doyle Rd. Jefferson - 1300 or 1440 Doyle Rd., 44047 • Clearance 13'6" (1.8 mi. from Jefferson) A 94 foot long Town Lattice bridge built in 1968. Doyle spans Mill Creek. Mill Creek is a tributary of the Grand River. This bridge was renovated in 1997 when a laminated arch was added.

14. Liberty Street, Geneva - 94 W. Liberty St., 44041 • Clearance 15'0" (10.6 mi. from Doyle Rd. Bridge) The shortest covered bridge in the United States spans only 18 ft. Its design is one of a-kind. The structure is supported by a single Kingpost and its roof is a Scissor Truss which gives the bridge a lighter, open feeling. The roof has a more pronounced slope than a typical timber framed bridge. This, along with the extended overhangs, eaves and rakes, give the bridge a floating appearance. The bridge includes a toll-keeper booth to remind visitors of a pioneer who travelers often had to pay for the privilege of crossing a bridge. The timber for the bridge was donated from locally grown timber. The bridge was modularly constructed by students on the campus of the Ashtabula County Joint Vocational School.

15. Harpersfield, Geneva - 1122 Harpersfield Rd., 44041 • Clearance 10'9" (3 mi. from Liberty St. Bridge) This two span Howe Truss bridge is 228 feet long and is the second longest covered bridge in the State of Ohio. It spans the Grand River which is the primary drainage channel of western Ashtabula County. The bridge was built in 1868 and is listed in the National Register of Historic Places. A flood in 1913 washed soil away from the north and south ends of the bridge and changed the river channel. The steel bridge was then attached. A walkway was added in 1991-92 when the bridge was renovated.

16. Mechanicsville Rd., Geneva - 1153 Mechanicsville Rd., 44041 • Clearance 10'0" (4.5 mi. from Harpersfield Bridge) The longest single span covered bridge in the county, this 156 ft. Howe Truss with Arch was built over the Grand River in 1867. The arch is 15 layers of 2x8 lumber and is encased by large beams which form the X's of the Howe Truss. Believed to be the oldest of the County's covered bridges, this bridge was renovated and opened to traffic in the Fall of 2003.

17. Riverdale Rd., Rock Creek - 3349 Riverdale Rd., 44084 • Clearance 9'6" (9.2 miles from Mechanicsville Rd. Bridge) This 114 foot Town Lattice bridge sits high above the Grand River. It was built in 1874. The floor was replaced in 1981 and glue laminated wood girders were added. Center steel bracing had been replaced under the bridge in 1945. The road at the east end of the bridge washed out in 1967 and a new concrete abutment was built for added support.

18. Windsor Mills, Windsor - 7696 Warner Hollow Rd., 44099 • Clearance 11'3" (14.5 miles from Riverdale Rd. Bridge) Located in a very picturesque area of the County, Windsor Mills Bridge is 120 ft. long and spans Phelps Creek, a tributary of the Grand River. Built in 1867 the Town Lattice sits atop outcrops abutments with unique center supports. One is from sandstone that was quarried nearby and the other is made from creek stone. Windsor Mills Bridge is also listed in the National Register of Historic Places. This bridge was renovated in 2002-03 and was opened to traffic in the Fall of 2003.

At this point the tour returns to Jefferson by way of Route 322, Route 45 and Eagleville Road. It is approximately 24 miles back to Jefferson.
